

## CITY WILL HELP VEILED PROPHETS

Advertising Committee Votes to Spend \$1,500 to Entertain Fraternal Order.

GIVES \$500 TO BANK FUND

Voucher Issued for City's Contribution to Regional Reserve Campaign.

Samia Grotto, Mystic Order Veiled Prophets of the Enchanted Realm, to state it completely, turned out in force last night to urge the Council Committee on Advertising and Enterprises to make an appropriation for the entertainment of the national convention of the order, which will be held in this city June 2 and 3. They got \$1,500 with a proviso.

E. C. Pelouze, of Samia Grotto, presented the case at length. He called attention to the substantial business standing of delegates who will be in attendance, and to the opportunity for valuable city advertising that the convention will offer. The convention, he said, will be attended by hundreds of delegates coming from every section of the United States and between \$5,000 and \$10,000 will be expended for their entertainment in Richmond.

**Doubts Are Removed.**  
The committee at its last meeting was in doubt as to the city's right to make an appropriation for the entertainment of the delegates. The members of the fraternal order rather than business type. Chairman Peters last night transmitted an endorsement from Assistant City Attorney Anderson to the effect that the committee would have full authority to act in the entertainment of the Veiled Prophets, provided that such entertainment was agreed upon by the city council.

In accordance with this view the committee voted \$1,500, which will be expended in the entertainment of the sort under the direction of the city. The municipal authorities will consult with the local fraternal committee, and co-operate with it in caring for the visitors. No money will be appropriated to the local Veiled Prophets, but the city will arrange and pay for its own contribution to the general entertainment program.

The committee was addressed in behalf of the Prophets by James T. Dwyer, Henry S. Hutzler and A. B. Brown. Dr. J. A. C. Chandler and Joseph H. Saunders asked for an appropriation of \$1,500 to aid in entertaining the national convention of the Society for the Promotion of Industrial Education, which will be held in Richmond, December 29 and 30 and 1,000 delegates, it was stated, will be in attendance. The organization is composed of manufacturers, labor organization, leaders, and teachers of industrial subjects in schools and colleges.

The committee desired more information with regard to the nature of the convention, and asked the speakers to submit to it at its next meeting a tentative program.

A voucher for \$500 was ordered issued to the chairman of the local reserve bank organization, as the committee's contribution to the regional bank campaign fund.

## SOUTHERN BUILDS CONNECTING LINK

Under Temporary Arrangements, Trains Will Back In and Out of Main Street Station.

A temporary connecting link with the main line of the Seaboard Air Line Railway, near the south end of its bridge over the James River, is being put in by the Southern Railway Company, which will operate all of its passenger trains in and out of Main Street Station after April 1. A force of more than 100 laborers is engaged in the work, which, from the present progress, will be completed in ample time for the change.

The work now being done is of a temporary nature, as the present plans require trains entering the station to back across the bridge, while those going South would have to back out of the station. A spur track is being laid between the main line of the Seaboard and the main freight line of the Southern, which will be converted into a passenger line exclusively. The connecting switch is about 250 yards from the south end of the bridge. Trains leaving the station will run up the Seaboard until after they clear the switch, and then will back across. Trains going south will reverse this plan.

The Southern is preparing to install a curve, which will eliminate the backing of the trains at the station. As this would take considerable time to complete, the other arrangement was made temporarily. In addition to the backing of the trains, the rails in many places have been laid. Hundreds of new cross-ties have been put in, and the entire length and new ties placed. Every precaution has been taken to make the line safe and secure. It was necessary to improve the roadbed in many places.

There will be few changes in the arrival and departure of trains under the new plan. More than a half mile has been added to the distance between the Richmond and South Richmond stations, and as the new line crosses Hull Street near the south end of the bridge, the trains will be required to proceed slowly, making a loss of almost fifteen minutes. Such changes will be made in the present schedule.

## MILITARY BOARD WILL MEET HERE

Will Arrange for Officers' School and for Summer Manoeuvres of State Troops.

Details for the officers' camp of instruction and for the summer manoeuvres of the Virginia troops will be discussed at a meeting of the Military Board, which will be held in the city hall here on April 1. Practically every member of the board is interested in these two questions, and the decisions of the board will be of great importance.

The officers' camp will be held, it is expected, during the first week in June. There is strong competition between Fredericksburg and Manassas for the location of the camp. The board must also make arrangements for selecting the site for the camp and for many other details in connection with it.

Just what the board will do in regard to the summer manoeuvres of the troops is a matter with which the military men are primarily concerned. The War Department, through the Division of Militia Affairs, has outlined a big war game to be staged in the vicinity of Washington. The expense of conducting these manoeuvres will be enormous, but the troops will gain only be secured in this manner. The board will also be of great importance, as close formations, but the troops will gain only be secured in this manner. The board will also be of great importance, as close formations, but the troops will gain only be secured in this manner.

The artillery officers will not attend the officers' camp, but will be sent elsewhere to a joint camp conducted for that branch of the service. All infantry, medical and signal officers will meet together.

Governor Stuart, Adjutant-General W. S. Sale, Colonel J. Lane Stern, Brigadier-General C. C. Vaughan, Jr., and B. O. James, Secretary of the commonwealth, compose the military board, which has jurisdiction over all disbursements of the military funds.

**CALVES DISTURB TENANTS**

Colonel James and Others Protest Against Morning Bleating.

A charge of annoyance to the annoyance of the residents of the Court Apartments, on West Franklin Street, against R. Kester, of the city, was dismissed yesterday by the city court.

Colonel B. O. James, Secretary of the Commonwealth, and other tenants of the apartments, testified that about 8 o'clock each morning about a dozen calves would make bleating noises. It was said that for as long as fifteen minutes the bleating would continue, and the racket made by the calves was sufficient to arouse the neighbors. Justice Crutcher also received several letters from citizens complaining of the calves.

A representative of the bleating calves would be sent to the abattoir by a different route, and the case was dismissed.

Mrs. R. A. Selkirk, who under \$500 bond by Justice Crutcher to keep the peace for twelve months for maintaining an objectionable resort at 215 East Clay Street.

## LOSS OF SCHOONER AT SEA REPORTED

The Hattie P. Simpson, With Captain and Five of Crew, Sinks.

FOUR SAVED BY STEAMER

Disaster Reported to Naval Department in Relayed Wireless Message.

Washington, March 26.—Loss at sea of the American schooner Hattie P. Simpson, of Boston, with her captain and five other members of the crew was reported to the Navy Department to-night in a relayed wireless message from the steamship Caracas, which has only board four survivors of the schooner.

The dispatch said the Simpson sank on Saturday morning, March 21, but gave no details. It came from the Caracas, presumably the American steamer of that name, bound from San Juan, Porto Rico, and was picked up by the battleship Kansas, at target by the Michigan, in Hampton Roads, on the Michigan, in Hampton Roads, who in turn sent it to the department.

The message read:

"Just received from Caracas, now well off shore from Cape Henry for direct sailing:

"Received from Caracas—F. H. Ham, second mate; John Turner, seaman; John Maria, engineer; Charles Brown, seaman, of schooner Hattie P. Simpson, of Boston, Philadelphia for Galveston, 10 March, abandoned and sunk morning 21. All remaining crew, captain, first mate, steward and three seamen lost."

Survival officers were at a loss to explain the loss of the schooner, as they had heard of no heavy weather along the coast during the latter part of last week.

**Unable to Reach Lifeline.**

New York, March 26.—The schooner Hattie P. Simpson, a 125-ton vessel, was built at Wadsworth, Me., in 1891, and was owned by A. R. Reed, of Boston, which was the schooner's home port. The shipping records show she was having sailed from Philadelphia on March 19 for Galveston, in command of Captain Strong.

According to wireless messages received here from the Caracas, Captain Strong and five other members of the crew of the total crew of ten were drowned. The schooner was loaded with anthracite coal, and went down so quickly that the captain and crew had no time to make the yawl, which was hauled up to the davits astern.

The position where the yawl was overturned was in Caracas was latitude 38.42 and longitude 73.25. No information as to the cause of the schooner's loss was contained in the messages received here up to midnight.

**Hurt in Runaway.**

A. W. (Gus) Welmer, of 1415 Taylor Street, sustained an ugly scalp wound yesterday afternoon when he was thrown from a wagon at Randolph and Cary Streets, where his horse ran away. The animal, it was said, became uncontrollable and made a sudden dash forward. Welmer lost his balance and was thrown out. Welmer was taken to the City Hospital ambulance surgeon.

**Will Move into Capitol.**

Major W. McK. Evans, aide-de-camp to the state of General Bennett H. Young, commander-in-chief of the United Confederate Veterans, will attend the annual reunion in Jacksonville, Fla., in May. Evans has been an aide-de-camp to the commander-in-chief since 1907, having been first appointed by General Stephen D. Lee, whom he served as a courier during the War Between the States. He has the rank of colonel.

**Will Move into Capitol.**

Registrar of Vital Statistics Wants Fireproof "Place for Records."

Valuable records of the Vital Statistics Bureau of the State Board of Health will soon be moved from the old building on the Ford Block, now rented by the State Health Department, and a portion of which has recently been consumed by the Building Inspector, into the basement of the State Capitol. The records, which consist of printed matter stored in the Capitol, are of a fire risk that the old building formerly used as a warehouse for the records.

Superintendent of Public Instruction R. C. Sargent recently moved his department and all other offices to the Chamber of Commerce Building, corner of Sixth and Main Streets, where he is now working. The records formerly occupied by the Department of Public Instruction will be divided between the Registrar of Vital Statistics and the Keeper of the Rolls. Attached to the records is a large fireproof vault, in which are kept the official records of the state of past legislatures—documents regarded as invaluable.

**To Dedicate Church.**

The dedicatory services of the new Hanover Avenue Christian Church, which were to have been held on Sunday last, but which were postponed because of the influenza epidemic, will be held at 8 o'clock on Sunday evening, March 29.

Mr. Sargent will be in general charge of the services. He was called home suddenly last week by the death of his father, and the dedication was in consequence postponed a week. The service will be held in time to direct the services Sunday.

**New Smallpox Case.**

Alice Wilson, twenty-eight years old, of 513 Kinney Street, was found yesterday by the City Health Department to be infected with smallpox and was removed to the Colored Smallpox Hospital.

**FAIRFAX COUNTY PREPARES TO BUILD GOOD ROADS**

(Special to The Times-Dispatch.) Alexandria, Va., March 26.—Bids will be opened at Fairfax Courthouse April 1 for the construction of a mile of improved roads in Mount Vernon District, Fairfax County, which will cost \$15,000. The bids will be received by the Board of Supervisors until 5 o'clock on the day of the opening. The roads to be improved are in the town of Mount Vernon, and the work is to be done in the summer.

**DEFIES OLD SUPERSTITION**

Miss Eleanor Wilson to Be Third-Time Bridehood at 34.

(Special to The Times-Dispatch.) Washington, March 26.—Miss Eleanor Wilson, 34, is to be married for the third time to Miss Maitland Marshall at her expected marriage to Paymaster of the Navy, Mr. Marshall, thus defying the old superstition, but present indications are that the marriage will be a happy one.

Miss Wilson, who is a native of the city, was born on March 26, 1880, and is the daughter of Mr. and Mrs. J. H. Wilson. She is a graduate of the University of Virginia, and has been employed by the Navy Department for several years.

**College Debates at Macon.**

Macon, Ga., March 26.—Debating teams of Baylor University, Waco, Texas, and Wake Forest University, Wake Forest, N. C., will meet here for their annual debate on April 13, at the same time that the debating teams of Mercer University, Macon, Ga., and Furman University, Greenville, S. C., hold their yearly contest. Announcement that Baylor and Wake Forest had selected Macon as a neutral ground was made here to-night.

**Revival at Second Baptist.**

At the Second Baptist Church last night prayer-meetings were held in the lecture room and the church piers for half an hour previous to the service. The service in the main auditorium. The men's prayer-meeting was conducted by Dr. Walker, and the women's by Mrs. Walker. Both meetings were well attended, and at their close the participants in the revival service, beginning at 7:30 o'clock, were dismissed.
